EDUCATION

- **Kommuri Pratap Reddy Institute of Technology** Hyderabad, India
Bachelor of Technology - Computer Science and Engineering; CGPA: 8.1/10 2022 - 2026
- **TMR Junior College, Khammam (Boys)** Khammam, India
Intermediate(MPC-12th); Marks: 915/100 2020 - 2022
- **TMRS School, Khammam (Boys)** Khammam, India
SSC(10th); GPA: 10/10 2019 - 2020

EXPERIENCE

- **Verzeo Edutech** Remote
Cybersecurity Intern (Full-time) Jan 2024 - Mar 2024
 - **Cybersecurity Fundamentals:** Gained exposure to foundational cybersecurity topics like network security, system vulnerabilities, and ethical hacking.
 - **Technical Skill Exploration:** Explored key areas such as malware analysis, encryption methods, and basic incident response strategies. Automated network log analysis with Python, identifying 10+ suspicious IP addresses.
 - **Practical Scenario Training:** Understood real-world scenarios through simulated lab sessions and guided modules. Contributed to a team report on Windows Server hardening, presenting key findings.
- **We Make Scholars** Hybrid
Campus Delegate Intern (Part-time) Oct 2025 - Present
 - **Campus Delegate Internship (HEST 2025):** Selected as 'Campus Delegate' for HEST 2025, noted as India's Largest Scholarship Test. Successfully onboarded 100+ students onto the 'Digital India' Campaign platform.
 - **WeMakeScholars Representation:** Selected as one of 200 Campus Delegates from 5,000+ applicants for the HEST 2025 program. Represented a platform funded & supported by the Ministry of IT, Govt. of India.
 - **Achievement:** Organized and promoted 2 campus-wide webinars on tech scholarship opportunities. Completed 2-month program, earning a 'Campus Delegate Program' Certificate and stipend

PROJECTS

- **Remote Patient Monitoring for Parkinson's Disease Diagnosis (Machine Learning, Classification, Healthcare AI):** Developed and compared Machine Learning classifiers (SVM, Decision Tree) using voice data features for early Parkinson's Disease diagnosis Implemented data preprocessing including SMOTE for class imbalance, achieving high diagnostic accuracy (98.3%) with the proposed Decision Tree model Tech: Python, Scikit-learn, Pandas, NumPy, Matplotlib, Seaborn, imblearn, Joblib.
- **Diagnosis Prediction in Medical Imaging for Mouth Diseases (Artificial Intelligence, Machine Learning, Computer Vision, Classification):** Conducted a comparative analysis of classifiers (Logistic Regression, Extra Trees Classifier) for diagnosing various mouth diseases (Gingivitis, Oral Cancer, OLP, etc.) from medical images. Implemented an image preprocessing pipeline (resize, flatten) and evaluated models, achieving 94.5% accuracy using the Extra Trees Classifier. Tech: Python, Scikit-learn, Scikit-image, OpenCV, Pandas, NumPy, Matplotlib, Seaborn, Joblib.
- **IoT Environmental State Classification using Sensor Data (Machine Learning, Classification, IoT):** Designed and evaluated a system using Machine Learning (Decision Tree, Random Forest) to classify environmental states based on IoT sensor telemetry data (temp, humidity, light, gas levels). Performed Exploratory Data Analysis, data cleaning, and achieved 98% classification accuracy with the Random Forest model. Tech: Python, Scikit-learn, Pandas, NumPy, Matplotlib, Seaborn.

CERTIFICATIONS & ACHIEVEMENTS

- **Research Writing and Presentation - WiseUp Communications (2025)**
Certified by WiseUp Communications in "The A-Z of Research Writing" and "Master the Art of Research Presentations"
- **NCAT Participant – Naukri Campus (2025)**
Achieved the 58th percentile in NCAT 2025, demonstrating strong aptitude in Quantitative, Reasoning, and Verbal ability.
- **Data Analytics Bootcamp - Alexander Freberg (Nov 2023 - Feb 2024)**
Certified by Alex The Analyst for successful completion of the Data Analytics Bootcamp
- **Software Engineer Intern - HackerRank (2025)**
Certified for clearing the Software Engineer Intern role assessment by HackerRank.

SKILLS SUMMARY

- **Programming:** Java, Python, JavaScript, C, HTML/CSS, MySQL, React JS, Tailwind CSS
- **Libraries:** NumPy, Pandas, Matplotlib, Seaborn, Scikit-learn, OS, Joblib
- **Soft Skills:** Leadership, Problem Solving, Communication, Teamwork, Time Management
- **CS Fundamentals:** OOPS, DBMS, Operating System, Computer Networks, Software Engineering
- **Tools:** VS Code, IntelliJ IDEA, PyCharm, Jupyter Notebook, GIT, GitHub, Windows, MS Excel, MS Power BI
- **Technologies:** Data Structures, Algorithms, Machine Learning, Artificial Intelligence, Frontend Development, Data Analytics
